This is a decision on the petition filed April 30, 2004, under 37 CFR 1.182 and MPEP 402.10 requesting separate revocation and appointment of a power of attorney for inventor David Wilson in the above-identified application.

The petition is **granted**.

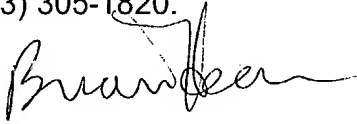

In accordance with MPEP 402.10 and 37 CFR 1.182, the requested revocation of the prior power, and appointment of counsel E.J. Asbury III to represent David Wilson is **granted** as of the mail date of this decision.

In order to assure that all interests are properly and effectively represented, all further correspondence to the United States Patent and Trademark Office (USPTO) in this application--or resultant patent-- must be signed **both** by Asbury who represents Wilson and by any one of those members of COOK, ALEX, MCFARRON, MANZO, CUMMINGS & MEHLER LTD ("COOK") appointed on the combined declaration and power of attorney present on filing. One of counsel already of record from COOK will also be responsible for coordinating all replies or submissions to the USPTO. See MPEP 402.10. *Any registered practitioner signing subsequent papers must indicate whom he or she represents.* The correspondence address remains that of COOK.

**All parties are reminded that dual correspondence is not permitted, and will not be undertaken by the USPTO.**

Nevertheless, a courtesy copy of this decision is being mailed to counsel for Wilson.
